

## Greek Exercise 7 – Conclusion

Write out your conclusion. Be sure to include key concepts from the context of Ephesians 1:7 and Paul’s intention for using the word *have*. Your conclusion needs to be thorough, showing a grasp of the grammatical usage in context, similar and different usages, and the nuances involved with similar terms. Your final statement should firmly assert what Paul meant in his use of the term *have* within the phrase “In Him we have redemption.”
